

**SHAJI PRABHAKARAN**

**MENTORSHIP PROGRAMME**

# WHAT IS THE MENTORSHIP PROGRAMME?

The programme is completely free of cost for all applicants.

1

It is a free 6-Month programme to provide career enhancement support to be able to make the right impact in sports.

2

Get individual and group sessions with Dr. Shaji Prabhakaran and other industry experts based on availability.

3

Get advice and support for professionals, businesses, ventures, startups, investments, and projects in the sports industry.

4

You will get a personalised mentoring plan as per your goals and ambitions as well as your current profile.

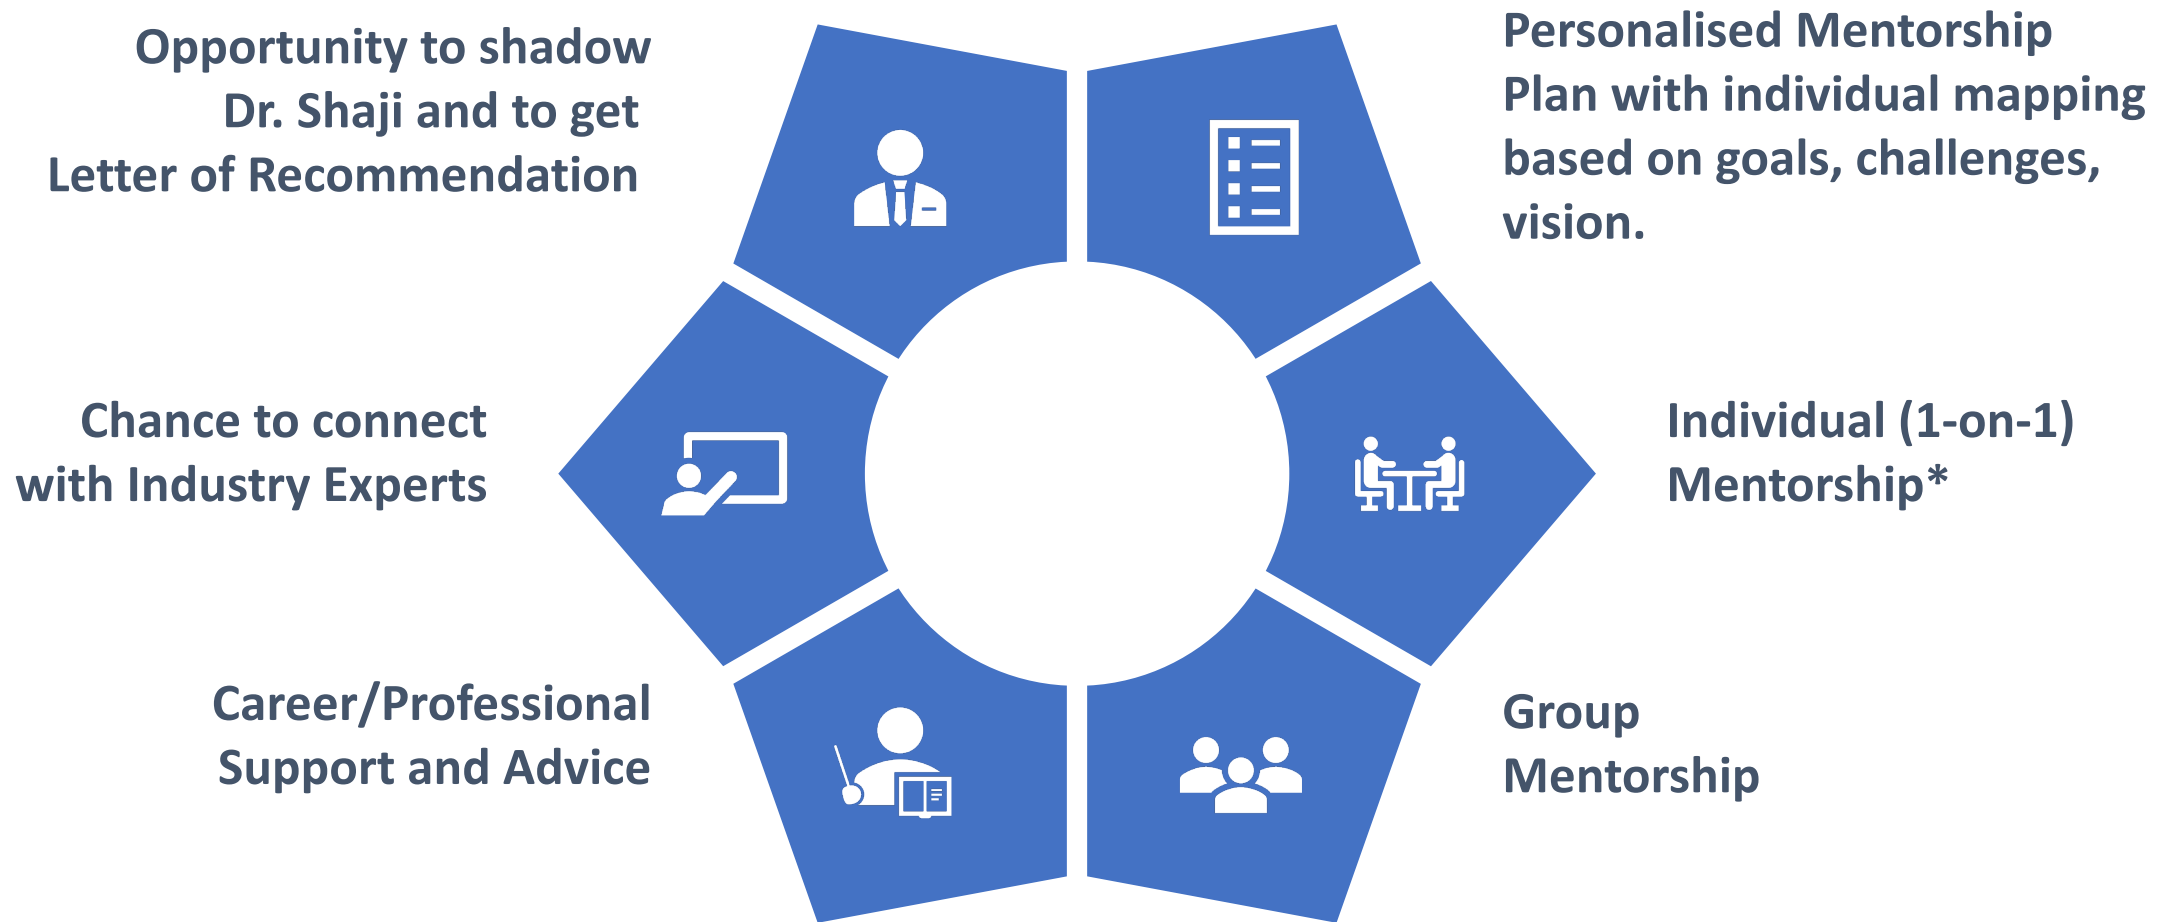

5

Be able to develop the most important skills to grow yourself and create the ability to lead your own development.

6

You will obtain a different view and vision of the sports sector and be able to recognise the possibilities and impact of sport.

# MENTORSHIP PROGRAMME INCLUSIONS

\*Individual Mentorship can include physical meetings subject to COVID-19 restrictions and current city of mentor and mentee.

# KEY DATES

# SELECTION PROCESS

# FAQs

**I am new in the industry, can I apply?**

**Yes, definitely. The mentorship is open to all.**

**I have a few years experience, is there any benefit for me?**

**The mentorship is open to everyone. An individual schedule will be followed for all mentees to cater to their strengths.**

**Is there any application fee or programme fee?**

**No, there is no application fee or programme fee or any other kind of fee.**

**I am a citizen of another country, can I apply?**

**The mentorship programme is currently open to citizens of India only.**

**I require guidance for a project I am undertaking, am I eligible?**

**Yes, you can apply for the mentorship programme. Please indicate this in one of the fields while applying.**

# FAQs

**How long is the mentorship programme?**

**The Mentorship Programme will run for approximately six – twelve months.**

**Is there only one mentor?**

**Dr. Shaji will be the lead mentor who will guide you. However, there will be other experts pitching in.**

**Which fields will the other experts be from?**

**The experts will be from within the sports industry as well as from outside the industry.**

**Will I be judged on the basis of my education level?**

**No, you will not be judged on the basis of your education level. That is for informative purposes only.**

**How much time will I have to devote every week?**

**You will be required to devote between two – five hours spread over a week.**

# FAQs

**What kind of career goals should I write?**

**This is a subjective question and you should define your own career goals. There is no general answer to this.**

**Do I need to attend any meetings or classes physically?**

**No, you will not be required to attend any meeting physically. You may have the opportunity to meet Dr. Shaji individually depending on the COVID-19 situation and other dynamics.**

**What are my chances against people with more experience than me?**

**Applications will be primarily judged on the basis your career goals, statement of purpose and your journey in the sports industry.**

**Will I be given any tasks during the mentorship?**

**Yes, you may be given tasks on certain occasions that are necessary for you to obtain the required knowledge.**

**Will I get a job after the completion of the programme?**

**You will be ready to face the challenges of the sports industry. However, a job guarantee cannot be provided to anyone.**
